Memorandum

To: Assistant Director, Resource Programs

From: Acting Chief, Conservation Division

Subject: Preparation Plan for the Jackpile-Paguate Environmental Impact Statement

Attached for your approval is the final version of the subject material prepared by Marc E. Nelson, the Geological Survey Task Force Leader. Earlier versions have been reviewed by the Environmental Affairs Office, Office of Environmental Project Review, and Conservation Division personnel. The Bureau of Indian Affairs, the joint lead Agency in this endeavor, has agreed with the content and completeness of the plan. As such, I recommend your approval.

If you concur with my recommendation, please sign and date the approval statement below and return it to this office for distribution.
